An overview of speaker recognition

Published On: August 28, 2019 | Pages: 001 - 012

Author(s): Junxia Liu*, CL Philip Chen, Tieshan Li, Yi Zuo and Peichao He

Speaker recognition has been studied for many years and has been a hot topic. This paper presents an overview of speaker recognition methods, which include the classical and the state-of-art methods. According to the modular components of speaker recognition system, we fi rstly introduced the fundamentals of speaker recognition, which are mainly divided into two pa ...
